Doan's Kidney Pills was the only medicine I could find that gave me relief and by continuing their use a few weeks, I was cured."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mr. Bolling. Foster-Milburn Co., Props., Buffalo, N. Y.

## TIMELY RESCUE OF MOTHER AND WIFE

AS RELATED BY A PORT TAMPA MAN

Andes Proves a Blessing to Whole Family

Like everybody else, we got to reading about Andes and decided to give it a trial. I understand now why everyone is praising this medicine. My wife and mother have used only two bottles and the results that it has given in their case is marvelous. Each of them have been suffering for years with kidney and bladder troubles, and they have used many kinds of medicine without any permanent results. Their worst trouble was pains in sides and down limbs, also they complained a great deal with hurting in the small of the back and during damp, cloudy weather or if they contracted cold their aches and pains were a great deal worse. Each of them was inclined to nervousness and some slight trouble with their stomach, but I am proud to say that Andes has put both of them in better condition than they have been for years. I have come for six more bottles of your Andes, as I want them to use three more apiece. This is as related by Mr. Hance Johnson of Port Tampa on Saturday of last week, at Cotten's Drug Store where the Andes man is meeting the public daily and explaining how all these great medicines will cure. Those who have kidney and bladder troubles, which is so prevalent in Tampa and vicinity, says Mr. Payne are usually nervous, have dark circles, and bloating under the eyes, headaches, lost appetite, sleeplessness, depression of spirits, and are tired out most of the time. Will find that Andes will fill them with new life and energy. Friends will begin to notice the improvement in your condition and you will be like others who are using Andes, willing to say a good word for it and let others know that it is really the "Master Medicine" because it masters all complaints for which it is recommended. Andes' Prescription, so highly recommended by Mr. Hance Johnson, Port Tampa, Fla., is now on sale in Arcadia by Arcadia Drug Store, the exclusive agents.

### THE CLASS DAY EXERCISES

Brought Out a Full House Friday Afternoon

(From Saturday's Daily.)

The class day exercises conducted by the class of 1916 of the DeSoto County High School yesterday afternoon in the high school auditorium were a decided success. Both the main body and the balcony of the auditorium were crowded with representative people of Arcadia, who were free with their applause as the different numbers of the program were rendered. After the musical numbers and other exercises had been finished, the crowd adjourned to the school campus, where the senior class planted a camphor tree, which was the beginning of a custom that ought to be followed out by all the remaining graduates of the good old DeSoto County High School. Around this tree the class sang a very beautiful song which was set to the tune of Juanita. As the last number was being executed, it seemed that a note of sadness had crept into the hearts of those heretofore happy young graduates as they thought of the happy days spent in their old Alma Mater. A reception was then tendered to the people of Arcadia by the senior class, which was an event of great enjoyment.
